Madam:

It is hereby requested that a Certificate of Correction under 37 C.F.R. §§ 1.322 and 1.323 be issued for the above-captioned United States Patent. This Certificate of Correction is being requested due to mistakes which appear in the printed patent. These mistakes were made by both the United States Patent and Trademark Office (USPTO) and Applicants. The mistakes made by Applicants are of a clerical or typographical nature, or of a minor character. Patentees submit that correction of these errors does not introduce new matter.

In column 7, line 43, replace "13 wherein" with --13, wherein--.

In column 8, line 16, replace "being" with --begin--.

Errors by Applicants

The printed patent also contains the following errors by Applicants for which a Certificate of Correction is respectfully requested:

In column 6, lines 49-50, replace "identified data data." with --identified data.--.

In column 7, line 20, replace "identified data data." with --identified data.--.

In column 8, line 8, replace "first packet packet." with --first packet.--.

Remarks
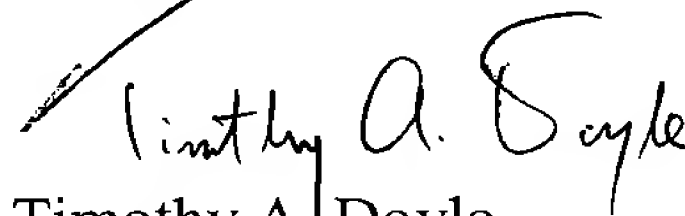

The above-noted corrections do not involve such changes in the patent as would constitute new matter or would require reexamination.

A completed Form PTO/SB/44 accompanies this request, with the above-noted corrections printed thereon. Accordingly, a Certificate of Correction is believed proper and issuance thereof is respectfully requested.

This request is accompanied by payment of the fee set forth in 37 C.F.R. § 1.20(a). Fee payment is provided in the attached Credit Card Payment Form (PTO-2038). The Commissioner is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,
